**Maximum monthly charge**  
 The maximum monthly charge will be the minimum monthly charge, plus any optional purchase of additional data via our online portal, plus the cost of any VoIP calls you choose to make using the service.

**Maximum charge for early termination**  
 If you cancel your service prior to the end of your contract term you will incur early termination charges. These are calculated by multiplying the number of outstanding contract months times the minimum monthly contract charge.

**Minimum term**  
 The service is available with a minimum term of 24 months.

## The Service

### Bundling

Every UrbanAir service includes a VoIP line with no additional rental costs. Usage of the service is at the discretion of the customer.

### Mandatory Components

You will require a roof-mounted radio and a modem/router for this service. The monthly fee includes the rental cost for the roof-mounted radio and modem/router. Please contact us for further information.

A mandatory installation cost is incurred with the installation of every service. This installation cost includes configuration of equipment in addition to the physical installation of the equipment.

### **Important Conditions**

Coverage is subject to line-of-sight to one of our base stations. If line-of-sight is obstructed by trees or buildings, UrbanAir may not be available.

Speed is quoted in kbps; for Mbps divide by 1000. E.g. 12000/1000 kbps is 12/1 Mbps.

For details of coverage and availability please visit <https://acenet.com.au/airstream> or call us to find out if you can be connected to this service at your location.

This service provides you with a dynamic IP address. Static IP addresses can be purchased at an additional cost. Please contact us for further information.

Complex installations will be quoted above the standard setup and installation cost prior to installation.
